WELCOME TO THE TEAM - JOHN DREILING - Neues Signature Feature bei UNIT Parktech

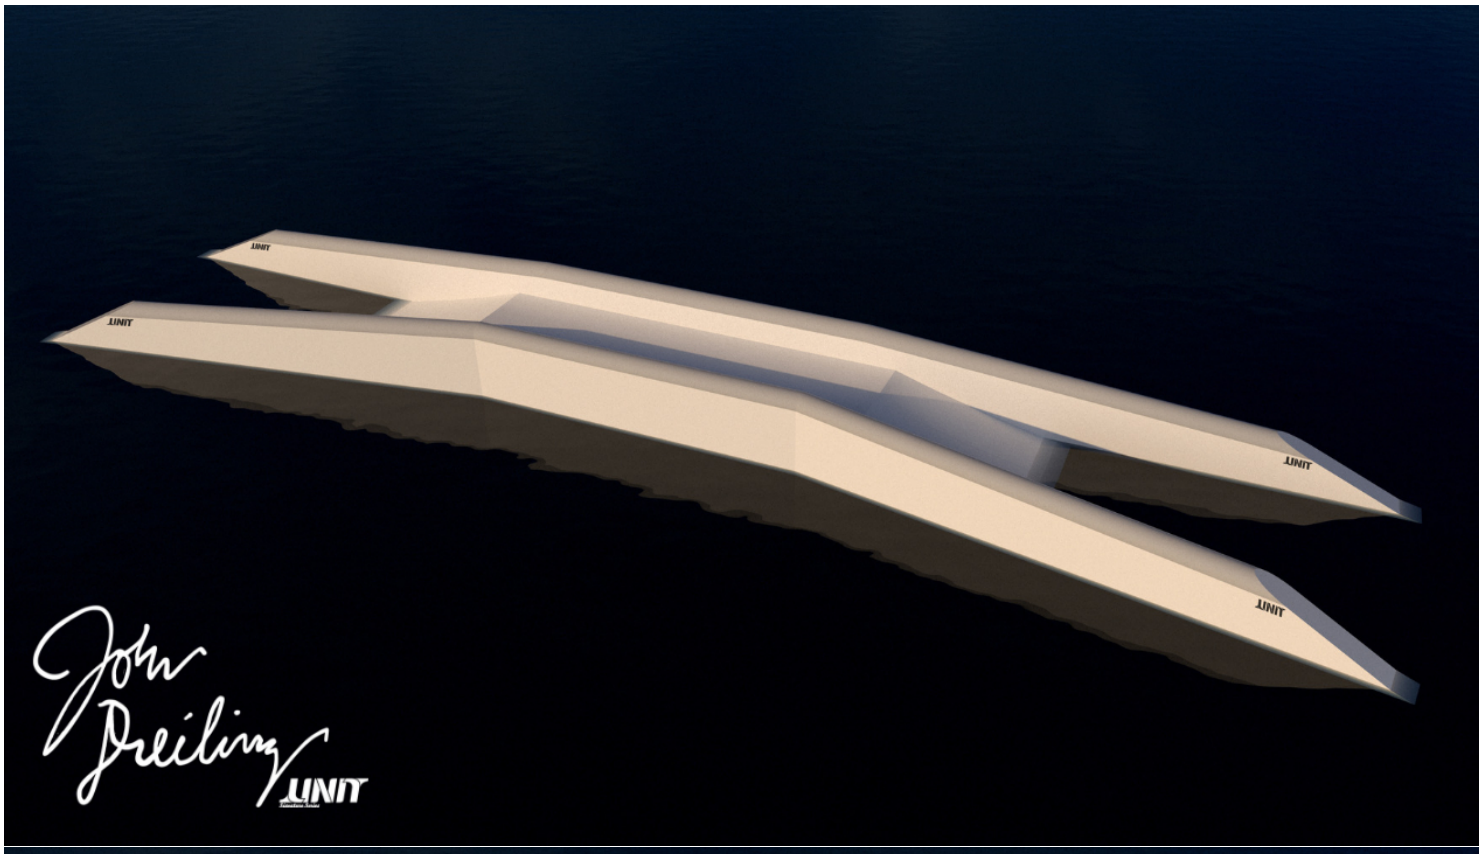

"HAVING A SIGNATURE FEATURE WITH UNIT HAS ALWAYS BEEN A DREAM OF MINE. EVERY RIDER I LOOKED UP TO AS A GROM IS ON THE UNIT TEAM. I AM BEYOND HONORED TO BE A PART OF SUCH A PRESTIGIOUS TEAM!"

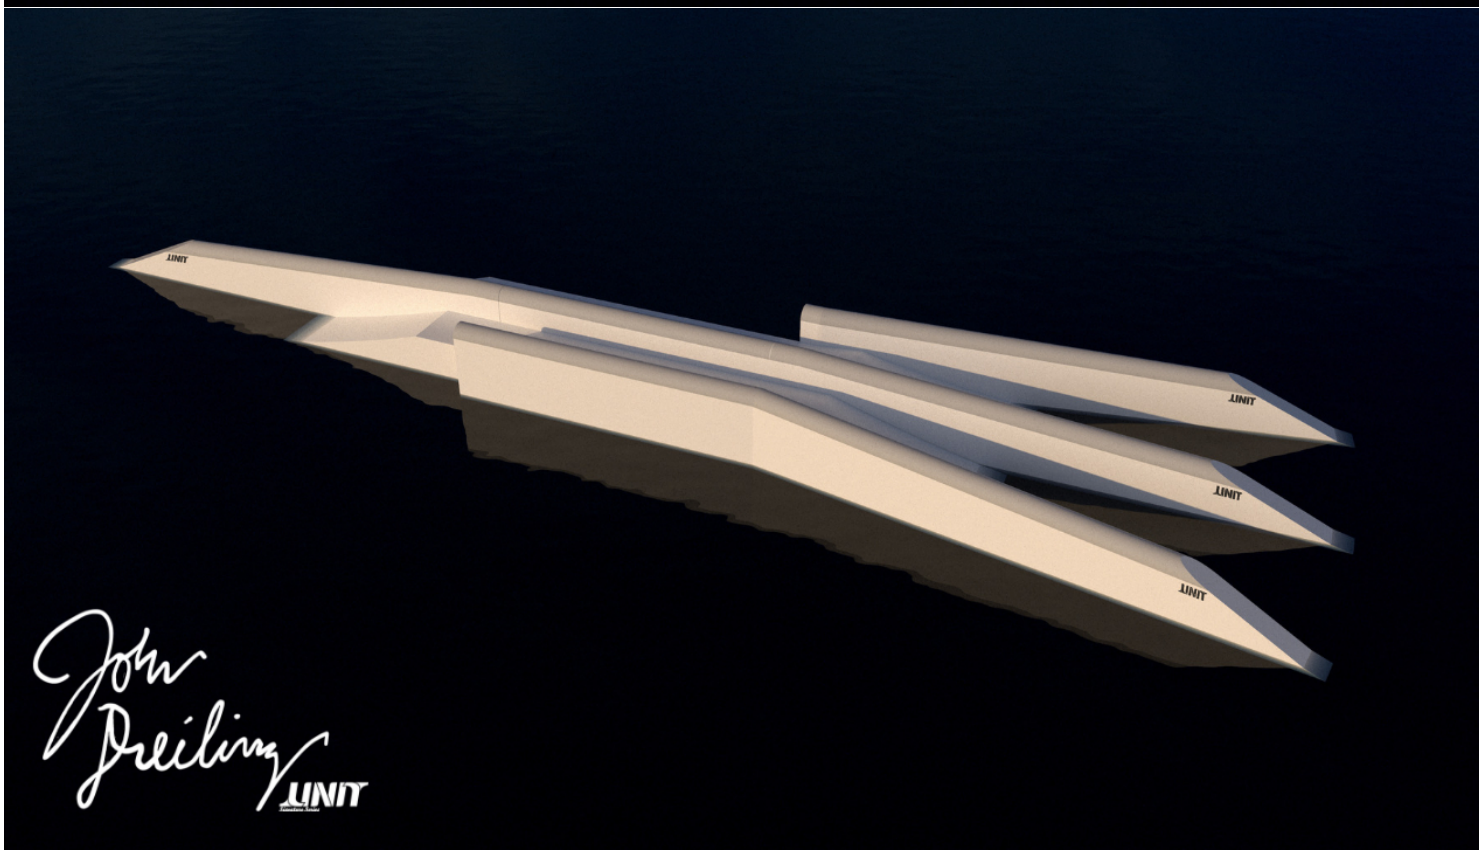

Wer es schafft sein eigenes Signature Feature zu bekommmen, der ist einer der wirklich

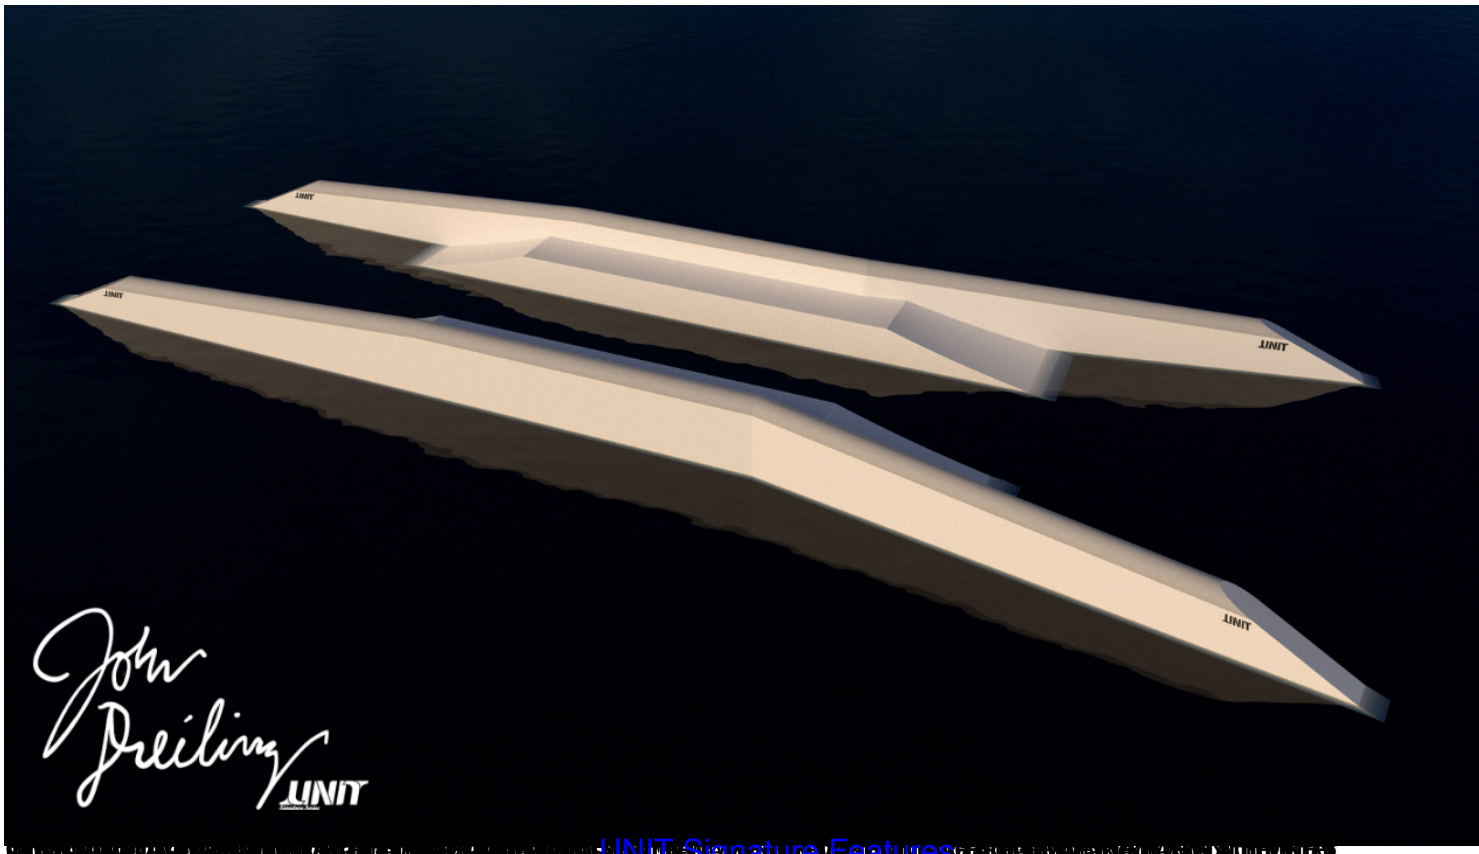

Großen des Sports. Mit John Dreiling ist es wieder einmal soweit und UNIT Parktech presentiert das JOHN DREILING SIGNATURE FEATURE. Flexibel einsetzbar und somit ein MUST HAVE für zahlreiche Wakeparks. John selbst ist mega begeistert, ein Feature das absolut zu ihm passt.

"WHEN COMING UP WITH A FEATURE DESIGN, I WANTED TO CREATE SOMETHING THAT FIT MY RIDING STYLE. I HAVE ALWAYS LOVED HACKING FEATURES AND MAKING SOMETHING CREATIVE AND FRESH OUT OF SOMETHING EVERYONE WAS USED TO. I WANTED THE MOST HACKABLE FEATURE THAT WILL KEEP CABLE RATS LIKE MYSELF ENTERTAINED FOR YEARS AND I AM VERY PROUD OF WHAT WE CAME UP WITH.

A HUGE INSPIRATION FOR THIS FEATURE WAS RIDING THE KEVIN HENSHAW SIGNATURE FEATURE AT OWC WITH YONEL COHEN. WE WOULD USE THE SEAM OF THE WALLRIDE/TRANSFER LIKE AN ELBOW A-FRAME.WE SAW THE TRANSFER BOX AS MORE OF A K-SHAPE WITH TWO RAILS. WE WOULD MIX DIFFERENT TRANSFERS, RAIL TO RAILS AND BANANA SLIDES TO MAKE NEW LINES AND KEEP THINGS FRESH. I WANTED TO BE ABLE TO BRING THE FUN WE HAD ON THAT TO EVERYONE'S LOCAL CABLE PARK."
